# Ratings

- ACTA play is based on “levels”
  - “A” division is USTA 4.5 (or 5.0/4.0) or lower
  - “B” division is USTA 4.0 or lower
  - “C” division is USTA 3.5 or lower
- Ratings are based on current USTA ratings or TopDog
  - USTA is the default rating. Initially your TopDog rating will be your USTA rating.
  - Non USTA players rating will be based on TopDog. As you win or lose matches, your rating will adjust.
- TopDog Rating Scale
  - 5.5 (5.26 and above)
  - 5.0 (4.76 to 5.25)
  - 4.5 (4.26 to 4.75)
  - 4.0 (3.76 to 4.25)
  - 3.5 (3.26 to 3.8)
  - 3.0 (3.25 and below)
- USTA ratings override Topdog ratings.

# New Rules for Fall 2011

- In the “A division, the two 5.0s can now play in the same match
  - Avoids availability issues that arose
  - The 5.0 must play with a 4.0 though
- For partial rainouts in the last scheduled match, the makeup match will be next Tuesday night at 7:00 (at the same site) . Teams shall use the same players. If both teams agree, new players can be inserted.
- USTA ratings override Topdog ratings. A change for this fall is that if an individual’s Topdog rating falls below the next level threshold, they can play at the lower Topdog rating. The league coordinator will publish this list of players prior to the start of the season.
